MENINGIOMA GROUP SUPPORT FOR PATIENTS AND FRIENDS

Meningioma Brain Tumour Support Group

On Friday 22nd July 2016 Meningioma UK is introducing a new support group in the Lancashire area for patients affected by meningeal tumours of the brain or spinal cord.

Meningioma UK is the only national meningioma organisation in the UK. The charity was founded in 1998 and offers support and information to meningioma patients, friends and carers.
